MEMBERSHIP INFORMATION & APPLICATION

The mission of the Marco Island Area Chamber of Commerce is to promote a healthy business and tourism climate in order to protect the quality of life in the community.

About Us

On November 3, 1977, the Marco Island Area Chamber of Commerce was incorporated. Chambers of Commerce do not discriminate regarding membership opportunities. Our by-laws state that all persons, firms and corporations interested in the civic and economic well-being of the Marco Island area will be eligible for membership. Our Chamber, therefore, unites the efforts of area businesses and residents to improve the economy and build a better community.

The Board of Directors sets the general policy and direction of the Marco Island Area Chamber of Commerce. Chamber membership is comprised of business people and interested residents from various sections of the community.

Day-to-day operations are carried out by a well-qualified staff. Utilizing sound business practices, they fulfill the Chamber's mission in a professional and organized manner. Staff also coordinates the efforts of the many volunteers who work daily to promote the Chamber members and their businesses.

Purpose

The Marco Island Area Chamber of Commerce has adopted this Code as a statement of principles to assist businesses to guide decisions and actions out of respect for the highest ethical standards. **Members agree to abide by these principles.** By so doing, the business community furnishes a business environment conducive to the betterment of the community, its businesses, residents and visitors.

Doing Business with Clients and Customers

- We shall conduct business fairly with dignity, respect and due regard for business ethics, for fair dealing and for compliance with applicable laws, regulations and standards of conduct.
- We shall price products and services fairly with due regard for clients, customers and employees.
- Employees shall treat clients and customers courteously.
- We shall honor warranties and other guarantees we provide clients and customers.
- Products will comply with all applicable safety and quality standards.
- Promotion and advertising will be designed so as not to confuse or mislead clients or customers.
- We shall respond promptly to any complaints with an effort toward reaching a fair and equitable resolution for all parties.
- All financial transactions will be properly and fairly recorded in appropriate books of account in conformity with recognized principles of accounting.

Selection and Compensation of Vendors and Suppliers

- We shall avoid conflicts of interest and disclose such conflicts if they exist.
- Gifts that compromise the integrity of a business transaction are unacceptable.
- We shall not engage in any form of undisclosed compensation of any portion of a supplier or vendor contract to employees or principals of any contracting party.

Compliance with Government Rules and Regulations

- We shall properly maintain all records and post all licenses and certificates in prominent places easily seen by employees, clients and customers.
- In dealing with government agencies and employees, we shall conduct ourselves in accordance with applicable and valid rules and regulations and in the open.
- We shall conduct business with government agencies and employees in a fair and open manner, which protects proper self-interests while avoiding even the appearance of impropriety.
- We shall bid for government contracts in strict conformance with bidding procedures and practices, price products and services fairly, and not receive or expect preferential treatment because of participation in any political campaign or activity.

Public Life and Political Activity

- We shall, where appropriate, engage in public and community activities for the betterment of the community.
- We shall, where appropriate, engage in the political process and make any political contributions at the discretion of the member in accordance with laws and regulations
- We shall not knowingly disseminate false or misleading campaign information.
- We shall deal fairly and courteously with government employees, members of community organizations, fellow members of the community and business community, and the members, Board of Directors and staff of the chamber.
